## RISK DISCLOSURE

### **Risk Disclosure Statement**

The risk of loss in leveraged precious metal trading can be substantial. Client may sustain losses in excess of Client's initial margin funds. Placing contingent orders, such as "stop loss" or "stop limit" orders will not necessarily limit losses to the intended amounts. Market conditions may make it impossible to execute such orders. Clients may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, the Client's position may be liquidated. Client will remain liable for any resulting deficit in Client's account. Client should therefore consider whether such trading is suitable in the light of Client's own financial position and investment objectives.

### **Internet Risk Disclosure Statement**

Since Fingrow LTD does not control signal power, its reception or routing via internet, configuration of Client's equipment or reliability of its connection, we cannot be responsible for communication failures, distortions or delays when trading online via the internet. Trading precious metal involves substantial risk that is not suitable for everyone. Trading online, no matter how convenient or efficient, does not necessarily reduce risks associated with precious metal trading. Precious metal trading spot prices may vary from institution to institution and from minute to minute which may arise, including without limitation, as a result of a time lag in data transmission, and that it may prove impossible to effect trades even at advertised prices. Therefore, Client agrees to accept that such prices as Fingrow LTD may offer Client from time to time is the best price then available.
